## \$20 Is Sometimes Less than \$15

You can buy a suit of Hart Schaffner & Marx clothes here for \$20; if you've been paying less than that—around \$15—we're ready to show you that \$20 is a lower price than you've been paying.

The clothes will prove it; such quality of fabrics, such staunch, durable tailoring, such style and fit as Hart Schaffner & Marx put into clothes can't be had at \$15. The added cost to you of these suits is money wisely spent.

We have lots of Hart Schaffner & Marx clothes at higher prices than \$20. But for the man who thinks he "can't afford" Hart Schaffner & Marx clothes, these are an object lesson in economy.

## Hart Schaffner & Marx "Prep" Suits Are The Thing

For boys who are ready for first long trousers

The styles combine both youthful and manly touches. Soft front coats, natural shoulders, everything a good live boy will like; the right suit for the "coming" man. We'll show a lot of good things.
